

## Virtual Event Terms & Conditions

### Program Policy:

1. For the Virtual Event ("the Program") the credit card on the client's file will be charged depending on subscription that client signed up for during time of purchase.
2. The Event requires a valid email address, and a stable Internet connection as calls are done over the internet.
3. All Event transactions must be in US Dollars (USD), regardless of place of purchase.
4. The Coaching relationship is in no way to be construed as psychological counseling or any type of psychotherapy. In the event that the client feels the need for professional counseling or therapy, it is the responsibility of the client to seek the care of a licensed professional. Your coach will require a written consent for you to continue coaching, in the form of an acknowledgement from such professional that coaching will not be detrimental to the best interests of the client. Any communications from such licensed professional, including the fact of such care, will be maintained on a confidential basis.

### Cancellations & Refunds:

1. No refunds shall be given for this Virtual Event. Your membership will continue for the time period covered by that payment. At the end of that period, the membership will be terminated.

### Privacy & Provisions:

1. Program information, including but not limited to applicable Privacy Policy, may be found on the Program's website.
2. You agree to release the Program and all its affiliates, agents or representatives, from any and all actions, claims, demands or damages of any kind, whether based in tort, contract, law or equity, and direct or indirect, arising from your participation in the Program. No representation or warranty of any kind is expressly made or implied as to the results you may experience from your participation in the Program. You understand that all action undertaken is performed voluntarily. Members should seek independent professional advice before undertaking any physical, business or investment actions. Coaching is not consulting.
3. Should any provision of this agreement be held by a Court of competent jurisdiction to be unlawful, invalid or unenforceable, the remaining provisions of this agreement shall not be affected.
4. This agreement constitutes the entire agreement between the parties. Any prior representations, agreements, understandings or undertakings are hereby superseded.
